MATERIAL SAFETY DATA SHEET

Section 1: Material and Manufacturer Identification

Manufacturer' Name: Tarmac Products, INC

Manufacturer' Address: 16311 NW 52 Ave Miami, Florida 33024

Tel: (305) - 625- 0883

Distributor ' Name:

Distributor' Address:

Product and Identification: Glycerin Suppositories 2g

Composition and Ingredients: Active Ingredients: Glycerin

Inactive Ingredients: Sodium Stearate

Purified Water

Section 2 : Physical , Chemical and Hazardous Properties

Hazardous Components: N/A

Appearance: Suppositories with Conical Shape and Crystalline color

Odor: N/A

Sp. Gr. @ 25° C: 0.90

Boiling Point: N/A

Melting Point: 33-37 °C

Solubility in Water: Insoluble

Vapor Pressure: N/A

Vapor Density: N/A

Est. 1967

Section 3 : Fire and Explosion Data

Flash Point (method): N/A

NFPA Rating: N/A

MSDS - Glycerin Suppositories, 2g

Auto ignition Temperature: N/A

Flammable Limit: Lower: N/A Upper: N/A

Extinguishing Media: Water spray, carbon dioxide, dry chemical, or foam as appropriate for surrounding and materials.

Special Fire Fighting Procedures: Fire fighters should wear full protective gear including self-contained breathing apparatus .

Unusual Fire and explosion Hazards: As with any organic compounds , this material may produce toxic fumes if heated to decomposition under fire conditions.

Section 4: Reactivity Hazard Data

Stability: Stable (x) Unstable ()

Conditions to Avoid: incompatible materials, ignition sources, excess heat

Incompatibilities with Other Materials: not available

Hazardous decomposition Product: As with any compound, this material may produce irritating and toxic fumes and gases, carbon dioxide .

Hazardous Polymerization: May Occur () Will Not Occur (X)

Section 5 : Health Hazard Data

Toxicity: No specific toxicity data available for this product. The following information is for Bisacodyl.

LD₅₀: Oral (rat) 12600 mg/kg
Carcinogen Listed by: NTP Yes () No (X)
IARC Yes () No (X)

Est. 1967

OSHA Yes () No (X)
Other Yes () No (X)

MSDS – Glycerin Suppositories, 2g

Signs and symptoms of overexposure:

Inhalation: No adverse effects expected under normal conditions of use.

Eye Contact: May cause irritation.

Skin Contact: May cause slight irritation.

Ingestion: May cause slight irritation of the gastrointestinal tract. May cause headache

Chronic Effects of Overexposure: No information found.

Medical Condition Aggravated by Overexposure: Hypersensitivity to this material.

Other Precautions to Consider: Persons developing hypersensitivity (anaphylactic) reactions must receive immediate medical attention.

EMERGENCY FIRST AID PROCEDURES:

Inhalation: No adverse effects expected due to inhalation under normal conditions of use.

Eye Contact: Flush with plenty water for at least 15 minutes. Seek medical attention.

Skin Contact: Wash thoroughly with soap and water .If irritation persists or develop seek medical attention.

Ingestion: Seek medical attention or contact a poison control center immediately.

Section 6 : Control and protective measures

Respiratory Protection: No special respiratory protection required under normal condition of use.

Protective Gloves: Latex gloves recommended.

MSDS – Glycerin Suppositories, 2g

Eye Protection: No special protection required under normal for use.

Ventilation: No special ventilation required under normal conditions of use.

Other Protective Equipment: No special protective equipment required under normal conditions of use.

Hygienic Work Practices: Wash thoroughly after handling and wash contaminate clothing before use.

Section 7: Handling and storage Precautions

Handling Precautions : Avoid contact with eyes , skin or clothing .Wash thoroughly after handling and wash any contaminated clothing before reuse .

Storage Precautions: Store in a place.

Section 8 :Spill and Disposal Procedures

Steps to Taken in case of spill or discharge: Wearing suitable eye and hand protection sweep or scrape up spillage and place in a tight container .Wash spill site . Wash thoroughly or shower after handling and wash all clothing before reuse.

Wasted Disposal Method: Dispose of in accordance with all applicable local, state, federal and environmental regulations.

Section 9 : DISCLAIMER

The information contained in this Material Safety Data Sheet has been compiled from reliable sources and is believed to be correct as of the date issued. It is the responsibility of the user to determine the appropriateness and applicability to their situation. Tarmac products Inc. disclaims any expressed or implied warranty as the accuracy of the above information and shall not be held liable for any direct, incidental, or consequential damage for use or reliance on the above information.

DEFINITIONS OF ABBREVIATIONS USED:

ACGIH:	American Conference of Governmental Industrial Hygienist
CAS:	Chemical Abstract Service
IARC:	Internal Agency for Research on Cancer
IDLH:	Immediately Dangerous to Life or Health level
LC ₅₀ :	Median Lethal Concentration
LD ₅₀ :	Median Lethal Dose
MSHA:	Mine Safety and Health Administration
N/A:	Not Available
NIOSH:	National Institute for Occupational Safety and Health
NTP:	National Toxicology Program
OSHA:	Occupational Safety and Health Administration
PEL:	Permissible Exposure Limit
STEL:	Short Term Exposure Limit
TLV:	Threshold Limit
TWA:	Time Weighted Average
